

**Hyphenated Words**

Adapt the game from Unit 20 to the compound words in Unit 23 by making a card for each of the smaller words that make up a compound word, as well as six cards with a hyphen on each. Keep the cards with hyphens separate from the others. Play the game having your child use a card with a hyphen to build the hyphenated compounds on the list.

**Compound Words**

1. *thunderstorm*
2. *self-addressed*
3. *background*
4. *cross-country*
